FAMILY SNOWSHOE SCRAMBLE

Join us for fun at the Bruentrup Heritage Farm and enjoy an afternoon snowshoe scavenger hunt. After a quick snowshoe lesson, you and your family will enjoy the park land next to the Farm to practice your snowshoe skills and hunt for clues that you can unscramble for a prize. Enjoy the roaring bonfire afterwards for s’mores and hot beverages. Try a craft project, too! The event is from 1-4pm but select your snowshoe time at registration.

Fish Creek Archaeology Talk
by Dr. Jeremy Nienow

Tuesday, March 24, 2020
7-8pm at the
Maplewood Library, 3025 Southlawn Drive, Maplewood, 55109
FREE to the public

Dr. Nienow will discuss the results of 2019 archaeological survey along Fish Creek in southern Maplewood which was sponsored by the Maplewood Area Historical Society, Ramsey County Parks and Recreation Department, and the Metro Area Historical Society Collaborative (Comprised of Ramsey, Dakota, and Scott County Historical Societies). Fish Creek, connecting Carver Lake and the Mississippi River, is known to have pottery fragments and stone tool chips which date to the Native American Woodland Period (500 B.C. – 1650 A.D.). He will also discuss artifacts found by previous archaeological surveys, objects from a private collection, and information on nearby mounds which were also from the same Native American period. The talk will also include discussion about future opportunities for becoming involved with efforts along the Creek.

Dr. Nienow is a registered, professional archaeologist who operates Nienow Cultural Consultants LLC and has taught at public and private higher educational institutions in the Twin Cities. He is currently president of the Council for Minnesota Archaeology.

This activity is made possible by the voters of Minnesota through a grant from the Arts and Cultural Heritage Fund.
